P&C News - What a year it's been!

Unfortunately due to COVID-19, many of our ordinary fundraising events could not be held this year, however due to a successful Bunnings BBQ and funds carried over from previous years' efforts we were still able to donate almost $5,000 worth of goods to the FLDC to classrooms across all three sites.

A HUGE thank you to all the volunteers who helped with the Bunnings BBQ and all members of our FLDC P&C.

We have big plans for next year and would love you to be involved! Please join us on **Wednesday 17 February 2021 at 5:30pm for a 'Welcome Back Sundowner' and our AGM.** Keep an eye out in the New Year for further details.

Follow us on Facebook! [Facebook.com/FLDCPANDC] We are launching a new Facebook page so that you can keep up to date with P&C news. Raffle winners will be announced there!

Christmas Raffle

We are in the process of arranging amazing prizes for our annual Christmas Raffle including **Cockburn ARC family passes, a digital photo frame and various hampers.**

If you would like to donate an item towards our hampers (gift or nut-free non-perishable food) please pass to your classroom teacher by Friday 11 December 2020.

Alternatively, if you wish to make a monetary contribution directly to the P&C you may do so by direct transfer to our bank account. This is entirely optional and not at all expected, we understand it is already an expensive time of the year.
